

KEY ACCOUNTABILITY CONTROL FORM

I, _____, acknowledge the receipt of ACCESS PEG # _____.

I fully understand and agree that management has made a substantial investment in a KEY TRACKING SYSTEM to help me in increasing my sales productivity by keeping track of all keys and having them readily available for a more professional approach to selling.

I further agree to pay \$25.00 per PEG in the event I lose the PEG or fail to return same to management should I decide to leave the company.
